SANTA ANA, CALIFORNIA, SATURDAY EVENING, AUGUST 12, 1916.

50 CENTS PER MONTH

RECORD IS MADE BY S. A. WALNUT ASSOCIATION ON '15 CROP

Organization Markets Product At 85 Cents Per 100 Pounds, New York

\$358,608 RECEIVED FOR YEAR'S OUTPUT

Most Successful Year In California Concern's History Is Closed

Declaring a final dividend of 75 cents a 100 pounds on all first grades of walnuts, including No. 1, No. 2, Jumbo and banded, the board of directors of the Santa Ana Walnut Growers' Association yesterday afternoon closed up the business of the 1915 season, figures showing that it cost members of the organization 85 cents a 100 pounds to meet all expenses of marketing, including brokerage, cash discounts, running the packing house, insurance and other costs.

Never before in the history of the association has the product of a season been marketed at so low an expense. The showing made during the past season is remarkable. It sets a record.

\$358,608 for Crop
When the final dividend declared yesterday is paid the association will have returned to the members for their 1915 crop the sum of \$358,608, an amount greater than the association has ever paid out before.

Having closed its most successful year, the association prospects for the coming season, as regards crop yield and prices, are very encouraging. Among the things brought out at yesterday's directors' meeting was the conservative forecast that if 80 per cent of this year's sales is confirmed by eastern buyers and association estimates of the crop are correct, the entire walnut yield of the state has already been disposed of.

The association men estimate that the crop in Orange county this season will be 75 per cent of normal. The quality of the walnuts will be excellent, present indications show.

Crope Presents Figures
Secretary C. F. Crose yesterday presented to the directors figures to show that if the members had been paid for their crop on the orchard run basis they would have received \$12.63 a 100 pounds, or 97 cents per 100 pounds below the association price, \$13.60 a 100, for No. 1 nuts, last year's association price. Secretary Crose arrived at these figures by taking the weights on No. 1s, No. 2s and Jumbos, or a total of approximately 1,400 tons, for which members had been paid, and comparing them with the price usually paid for orchard run nuts. Banded nuts are not included in this orchard run estimate.

Detailed Figures
Following are the detailed figures showing how the association determined that the marketing cost of last season was 85 cents a 100 pounds: Prices fixed last year were, No. 2 \$10.60; No. 1, \$13.60; Jumbo, \$16.60; banded, \$17.00. Yesterday's dividend will have paid members \$9.75 for No. 2; \$12.75 for No. 1; \$15.75 for Jumbo, and \$16.15 for banded.

Prices during the coming season will be slightly higher than those prevailing last year, Secretary Crose predicts.

Final steps for the installation of a walnut cracking machine in the Orange County Dried Fruit Association packing house, north of the walnut house on the Santa Fe tracks, were taken yesterday.

ONLY MONEY PANIC CAN PREVENT SALT LAKE FROM BEING IN FULL OPERATION HERE BY JANUARY 1

Nothing but a financial panic will prevent Salt Lake engines puffing blue smoke into the heavens above Orange county by the first of January next.

The first positive statement by Salt Lake officials as to the time when the line would be in operation to Santa Ana was made yesterday by Fred Wann, general traffic manager of the Salt Lake, during a visit to this city and other portions of the county. He stated that instructions had been given to the engineering department to start work just as soon as it could arrange to do so, and further that nothing but a reverse of the present financial conditions would interfere with the company's plans to have its line in Orange county in operation by the first of the year.

The general traffic manager was accompanied by F. H. Adams, general agent; T. C. Peck, general passenger agent, and Byron Jones, traffic

Grand Republican Rally At Orange Thursday, Aug. 17

Arrangements were completed today for a grand Republican rally at Campbell's Opera House, Orange, at 8 o'clock next Thursday evening, August 17.

Lieutenant Governor W. D. Stephens and Former Lieutenant Governor A. J. Wallace will be the principal speakers.

Clyde Bishop also may speak, if he can meet the appointment.

Perhaps more nearly than any other place, Orange is the population center of the county, and people from all over the county, including Santa Ana, are cordially invited to attend.

HUGHES-JOHNSON REPUBLICAN CLUB

Prominent San Francisco Republicans Effect Strong Organization

SAN FRANCISCO, Aug. 12.—With headquarters at the St. Francis Hotel and with Selah Chamberlain, president, and Sylvester J. McAtee, secretary, a huge, enthusiastic organization of business and professional men has been formed, known as the Hughes-Johnson Republican Club.

In its membership are prominent men who have taken an active part in Republican politics for years—many of them Republican office holders whose records as stalwart supporters of Republicanism could never be questioned.

They are making a brisk fight not only to elect the presidential national ticket, but, also, to give Governor Hiram W. Johnson the Republican nomination for United States Senator, being heart and soul behind the governor's candidacy because they realize that he is head and shoulders above any other candidate, a commanding national figure who would give California prestige in the most important legislative chamber in the world.

On the club rolls are such well-known names as Supervisor Paul Isaacson, Charles H. Bentley, Frank S. Brittain, A. P. Booth, Richard O. Bliss, Superior Judge Bernard J. Flood, Edwin G. Bath, Paul T. Carroll, F. H. Dam, Oliver Dibble, Dr. George E. Ebricht, former Supervisor and Bank President A. H. Giannini, former Police Commissioner Max J. Kuhl, C. H. Kendrick, Supervisor J. C. Kork, former Supervisor Adolph Koshland, Supervisor Joseph F. Lahaney, John J. D. McGillivray, Colonel Frank W. Marston, Harold H. Maundrell, John J. Mazza, Ernest J. Mott, Warren Olney, Jr., Angelo J. Rossi, Richard L. Radke, Supervisor Fred Suhr, Jr., Fire Commissioner Frank C. Sykes, W. S. Scott, Leo I. Sussman, Rudolph J. Tausch, John Tait and O. E. Von Rhein.

SECRETARY VEILS PROBE
CHICAGO, Aug. 12.—The utmost secrecy today surrounded the reported Federal investigation here of raising wheat prices and the corresponding increase in the price of flour.

The officials made a tour over the right of way, one of the purposes of the trip being to get data for use in establishing tariff schedules. Live wires of La Habra have already gotten busy with a petition to the company to erect a big depot in that growing city. The company plans call for attractive depots at La Habra, Whittier, Fullerton, Anaheim and Santa Ana. The Fullerton depot will be located just South of the Santa Fe depot, and at Anaheim it will be just west of the Santa Fe. In Santa Ana the depot will be between the business center and the depots of the Southern Pacific and Santa Fe. It will be at the corner of Fourth and Garfield streets.

As yet parties who sold their homes for the right of way have not been notified to move, but it is known that they will receive such notification very soon.

SUPREME COURT IS TO DECIDE IF BORDWELL STAYS ON

County Clerk of This County To Be Made Subject for Test Case for the State

Today County Clerk W. B. Williams received notice over the long distance telephone that he would be made subject of an action in the supreme court of California in an endeavor to compel him to keep Walter Bordwell's name off of the Republican ballot to be used at the primaries on August 29. The case will be a test case for the entire state.

Williams received his notice from Attorney George P. Adams of Los Angeles, who, without much question, represents the Booth forces.

Los Angeles' registrar has stated that he would not put Bordwell's name on the ballot. Bordwell paid his filing fee and filed his petitions, and that fact was certified to every county clerk in the state by Secretary of State Jordan. Since Bordwell has publicly withdrawn, the Booth forces have used every effort to get Bordwell's name off the ballot. The secretary of state said it was up to the county clerks, a position that he could take since his legal responsibilities ceased when he certified the candidates to the county clerks.

In this county, the county clerk read over the law and concluded that it was up to him to follow the certificate sent by the secretary of state. District Attorney West, called upon for an opinion, came to the same conclusion, and advised Williams to place Bordwell's name on the ballot. The ballots have been printed, and today each person who is a candidate for any office received a copy of the ballot or ballots upon which his name appears.

Inquiry came yesterday to Williams' office from Attorney Adams, asking if he was going to leave Bordwell's name on the ballot. Williams replied that he was going to leave it on; in fact, the ballot was printed.

This morning Adams stated that on Monday he will go before the supreme court in San Francisco and ask for a writ of prohibition to compel Williams to leave Bordwell's name off. The chances are that the hearing will be set at an early date, probably Wednesday or Thursday, and Williams and District Attorney West will go to San Francisco to make their appearance and argument.

There are a number of county clerks in the state who do not know what to do. Each has received a telegram from Bordwell instructing him to leave Bordwell's name off the ballot. The decision in the Williams case will settle the matter for the entire state. At the request of Secretary Nye of the County Clerks' State Association, Attorney General U. S. Webb has rendered an exhaustive opinion on the law relative to the printing of the ballot. In this opinion the attorney general asserts no county clerk has a right to disregard the plain provisions of the law and eliminate any name from the primary ballot which has been certified by the secretary of state.

SAYS RICH MEXICANS CONSPIRE TO STIR UP MEX. REVOLUTION

EL PASO, Aug. 12.—Forty-five Mexicans suspected of attempting to cause a mutiny in the Carranza garrison have been arrested in Chihuahua City, it was learned today.

EL PASO, Aug. 12.—"Trouble for the United States and the Carranza government is afoot. It is being stirred up in El Paso by a number of wealthy Mexican exiles who desire Carranza overthrown and American intervention if necessary," a government official today stated.

"Behind the projected revolution," stated the government official, "are a number of Mexicans owning millions of acres in Mexico, but now living in Los Angeles, San Antonio and other places. They are at odds with the defuncts and the safety of their wealth depends on the crumbling of the Carranza regime. They are going about their revolutionary activities cautiously."

"Some Carranza garrisons are undermined now, I believe," said the government official.

WOMAN'S PARTY READY FOR BIG VOTE BATTLE

COLORADO SPRINGS, Colo., Aug. 12.—Their new political party organized and a plan ready to force passage of the Constitutional suffrage amendment, the Woman's party, representing 12 suffrage states and claiming to control four million votes, started its third and last day's session today.

Today's business is largely supplementary to that already transacted. Conferences were the keynote of the program. Three of them were to be held: the first a general conference on the coming campaign to be carried on by women, the second a conference of state chairmen on campaign plans, and the third a conference of national organizers on organization plans.

SOON ESTABLISH HARBOR LINES FOR NEWPORT BEACH BAY

Col. Pillsbury Instructed to Proceed As Soon As Possible, Says Kettner

The harbor lines of Newport Harbor will soon be established by the United States government.

There is no longer any question about that. Lew H. Wallace of Newport Beach, secretary of the Orange County Harbor Commission, has received a letter from Congressman Kettner, a member of the rivers and harbors committee of the House of Representatives, reading as follows:

Dear Mr. Wallace:
I presume you know long before this that the president has signed the River and Harbor bill. Yesterday I personally called on General Black, my personal friend, who is now at the head of the Engineering department, and he assured me—in fact he called in Colonel Newcomer, in my presence, and directed him to write a letter authorizing Colonel Pillsbury to establish the lines at Newport, as soon as possible.

I hope now that the good people of Newport will avail themselves of every opportunity and if they go ahead and make a showing you can rest assured that I will do my part when they ask for future help.

With kind personal regards I am Sincerely yours,
WILLIAM KETTNER.

HUGHES BOMBARDS ADMINISTRATION

HELENA, Mont., Aug. 12.—Charles E. Hughes, Republican nominee for president, today fired a broadside against "bork" and against Secretary of the Treasury McAdoo.

Speaking before an enthusiastic audience he said that he had been reliably informed that the Democratic administration had ousted Henry T. Clupp, Assistant Appraiser of Merchandise, and twenty-five years an expert in customs work in New York, and that Clupp's place had been filled by Daniel E. Finn, a Tammany leader, and son of "Battery" Finn, of political notoriety.

WOMAN'S PARTY PLANS \$500,000 CAMPAIGN

COLORADO SPRINGS, Aug. 12.—Organizers of the National Woman's party today met in their closing session of their first conference to plan a half-million-dollar campaign in the twelve suffrage states.

CATTLE COUNTRY WARMS TO G. O. P. NOMINEE

BILLINGS, Mont., Aug. 12.—Hughes carried his "anti-bork" and "America efficient" message across Western North Dakota and into Eastern Montana yesterday. As he rode across the cattle and sheep ranges and up the Yellowstone River valley he pounded home the Hughes doctrine that political parties should be the servants of the government and not the government the servant of the party.

His stirring independence of speech elicited a warm response from ranchers and townspeople, who crowded platforms at all stations where the train stopped.

At Bismarck Hughes sailed into the Democratic party on the tariff issue. "They are not the party to give us any sound application of the protective principle," he said. "They do not believe in it. They are opposed to it on every hand."

"We are for a straightforward, scientific, careful application of the doctrine of protection in the interest of all American enterprise, wherever it is needed, in order that we may meet the competition of the energized, disciplined, strong Europe after this war is over."

COLONEL MAY INVADE MIDDLE WEST

NEW YORK, Aug. 12.—Theodore Roosevelt may invade the Middle West in the interest of the Republican campaign, it has been announced here by National Chairman William R. Wilcox, who visited the former President at Oyster Bay.

WOMEN PLEDGE SELVES TO BATTLE DEMOCRATS

COLORADO SPRINGS, Aug. 12.—The National Woman's party in executive conference here pledged itself to use its best efforts in the twelve equal suffrage states to defeat the Democratic candidate for president; congratulated the Progressive and Socialist parties upon their endorsement of suffrage for women by national action, and commended the position of Charles Evans Hughes, the Republican nominee.

PRESIDENT ACTS TO DELAY CALLING OF BIG RAILWAY STRIKE

NEW YORK, Aug. 12.—Members of the executive board of the trainmen's brotherhoods will accept the invitation from the president to intervene in an attempt to settle their differences with their employers amicably.

WASHINGTON, Aug. 12.—President Wilson sent word to representatives of the four railroad brotherhoods stating that before they take action which would result in paralyzing traffic, he wishes to talk to them.

STRIKE SITUATION SEEMS TO BE DEADLOCKED

NEW YORK, Aug. 12.—Settlement of the controversy between the railroad employees and managers today appeared impossible without an appeal to President Wilson.

One of the Brotherhood officers leaving the conference stated that arbitration had been rejected.

With galling gun oratory and swift shots of superlative satire Governor Johnson battered down the charges that had been made against him and shattered to bits the campaign of his opponents. With a few deft rhetorical strokes he disposed of the accident of residence that has been raised as the bar sinister which is claimed automatically to render the governor ineligible to a seat in the United States Senate.

BOOTH GIVEN BANQUET IN ANGEL CITY

LOS ANGELES, Aug. 12.—Willis H. Booth, Republican candidate for the nomination for United States senator, was the guest of honor last night at a huge banquet at Hamburgers, which was attended by a thousand or more men and women.

TOM TAGGERT FIRES BROADSIDE AT SENATE

WASHINGTON, Aug. 12.—Tom Taggart of Indiana today told the Senate, after having been a member of that body but a few weeks, just what he thought of it. Though giving full credit for the passage of legislation favored by the President, he rapped its failure to attain results in business economics. He muckraked the harbor and rivers bill, and "bork," he declared for a budget system of national appropriations. Old-time senators stared at the presumption of the newcomer, tearing strenuously into fixed senatorial habits. Many left their seats but none interrupted him.

BAD CHECK YOUTH IS LOCATED IN CHINA IN U. S. NAVY

According to information secured by Sheriff Jackson, James L. Smith, wanted here for passing bad checks and for breaking probation, is in the United States navy and is stationed at Tien Tsen, China. The authorities here have decided not to go to the expense of bringing Smith to Santa Ana to answer the charges against him. Young Smith lived at Orange.

WESTERN SWIMMERS IN CHAMP CONTESTS

ST. LOUIS, Aug. 12.—The choice of the western swimming phenoms competed this afternoon in the Flamingo pool for trophies emblematic of supremacy in water events of the Western A. A. U. In addition to the dash events, plunge for distance and a fancy diving contest of the W. A. A. U., the national A. A. U. 880-yard swim will be decided. Ludy Langer, of the Los Angeles Athletic Club, will defend his title. He also is the 440-yard and mile champion.

SPEED DEMONS BATTLE ON PIKE'S PEAK ROAD

COLORADO SPRINGS, Aug. 11.—"Pike's Peak or bust" is the slogan of the large field of starters in this afternoon's free-for-all climb up the new scenic highway to the summit of the country's most famous mountain. A big crowd was on hand to see if any of the racing cars got smashed and the chances of some of the dare-devils drivers catapulting off precipices was not the least attraction. The boulevard to the summit is 18 miles long with easy grades and from 20 to 50 feet wide.

A handsome silver trophy donated by Spencer Penrose of this city and \$3,000 in cash prizes have been put up for this event. Some of the entries have been here for weeks tuning up for the climb.

President A. B. Garretson of the Conductors' Brotherhood, cleared this up when he emerged by declaring that the brotherhoods still maintained their position and announced the opening of negotiations against arbitration. Further meetings are to be held with the mediators tomorrow.

A formal announcement that mediation had failed in the controversy between the representatives of the 400,000 employees and managers today was made by Judge Martin Knapp of the United States Board of Mediation and Conciliation in a communication to the trainmen.

Opposing leaders seemed more determined than ever to hold to their widely divergent positions. "It is now a question whether any of the big brotherhoods will arbitrate," said one of the railroad managers. "The railroad will not recede from their demands for a settlement by arbitration."

CLEM MCDONALD, OIL WORKER, IS KILLED

BAKERSFIELD, Aug. 12.—Clem McDonald, well known young oil worker, was fatally injured while working in a tower on the Santa Fe lease, section 10, 31-32, at Fellows, when he plunged fifty feet to the ground. He missed his footing. He died three hours later at a Taft hospital.

McDonald was employed by the Head Drilling Company. He leaves a widow, and a brother, Joseph McDonald, at Fellows, and sister in Santa Ana. He was a member of the Elks' lodge.

\$100,000,000 TRADE LOST TO U. S. LAID TO BRITISH CENSORSHIP

CHICAGO, Aug. 12.—A loss of \$100,000,000 in Russian trade to American firms within the last eight months through theft or delay by the British censor today was charged by A. S. Pozznikoff, president of the International Manufacturers' and Sales Company.

Pozznikoff substantiated United Press dispatches from Petrograd stating that efforts were being made to lay a direct cable between Russia and America. He declared that this was being done because of the inability to get proper cable transmission of Russian orders through the British censor.

The International Manufacturers' and Sales Company is a subsidiary sales organization of fifty American firms representing a total capital of \$400,000,000.

Hurls Theft Charge

Pozznikoff charged that Britain has been actually stealing American trade with the declaration that of fifty cables received by his company in the last eight months only five had been transmitted in their original form. "While I have no direct proof that Britain has garbled our cables to throw trade to its own manufacturers, I am pretty certain that that is the case," said Pozznikoff.

"In the past eight months from here to the Petrograd office and from that office to this eight cables have been lost. No doubt exists in my mind that Britain is using every possible means to interfere, and if possible, to put an end to direct trade relations between the United States and other countries."

Says Britain Covetous

"Britain particularly desires to discourage such trade with its Russian customers. Prior to the war Germany enjoyed this lucrative position. 'The loss to America as a result of the British thefts will run over a hundred million.'"

It is declared that absolute proof of theft has been laid before the State Department by a large American corporation. This corporation is located in Pittsburgh.

Pozznikoff considers the situation so serious that he plans to leave for New York tonight to confer with Newcomb Carlton, head of the Western Union, regarding laying cables between Russia and this country.

1,200 BOYS GATHER AT TRAINING CAMP

PLUM ISLAND, N. Y., Aug. 12.—Twelve hundred school boys from all over the United States pitched camp here today to learn how to be soldiers so they can help Uncle Sam in case of trouble when they grow up.

None of the boys is less than fifteen nor more than eighteen years old. They are gathered from the combined scholarship of more than 300 boys' schools and are under the immediate direction of Colonel Andrew Hero of the Coast Artillery Commandant. They come from so far away as Charleston, S. C.; Jackson Springs, S. C.; Cleveland, Ohio, and Kansas City, Mo.

The idea of training these boys as young men are being trained at Plattsburg and other preparedness camps all over the country, is that of Dr. Samuel S. Drury, headmaster of St. Paul's school for boys.

RUSSIANS POUND FOES, WIN NEW VICTORIES IN STANISLAU CAMPAIGN

Czar's Forces Crush Forward 20 Miles in Four Days' Battling

DOUBLE SLAV WEDGE IS PERILING HALIOZ

French With Furious Somme Smash of Germans During Night

BY ED L. KEEN

(United Press Staff Correspondent)
LONDON, Aug. 12.—The advance guard of the Russian force that occupied Stanislaw has proceeded two miles northeast of the city and crossed the Zlota Bistriza river. The Austro-Germans offered only weak resistance and continued their retreat northward.

The Russian advance is most rapid. Two separate Russian forces are now converging on Halioz, the immediate objective of General Letichsky in his drive on Lemberg. First moving east along the north bank of the Dniester and less than twenty miles from Halioz, a second force, operating south of the Dniester, is composed of the detachments that took Stanislaw.

In four days the Russians have progressed twenty miles in the fighting about Stanislaw alone and are battling over difficult country.

The Italians have scored additional successes of equal importance in their southward swing on Trieste.

News from both Petrograd and Rome suggests that the Teutonic demoralization may be more complete than earlier advices indicated. There is nothing official on the Balkans situation.

SOMME SMASH HURLED BACK BY FRENCH

PARIS, Aug. 12.—The repulse of heavy German attacks on the Somme front during last night, today was officially reported. The French made further progress at Verdun.

At 9 o'clock last night the Germans launched an attack against Hem Quarry north of the Somme, losing heavily.

South of the Somme the Germans attacked La Maisonette and were repulsed.

The French progressed south of Thiaumont at Verdun.

ALL REMAINING MEN IN NATIONAL GUARD ORDERED TO BORDER

WASHINGTON, Aug. 12.—A general order to all departmental commanders today was issued by the War Department to send all remaining units of the National Guard from the three districts to the border as soon as they have been equipped.

The order, it was explained, will mean that the troops will be entrained whether recruited to full strength or not.

SAYS CRAVATH IS NOT TO PLAY BALL EAST NEXT SEASON

A dispatch from Salt Lake City says that this season will be Gavy Cravath's last in the big leagues. The star Philadelphia outfielder and home-run getter will be sold to the Pacific Coast League next year, probably to Los Angeles. This was announced by Scout Joe Wolff of the Phillies, who is in Salt Lake. Wolff says that Cravath has refused to play another season in the East and declared that he will quit baseball unless sent to the P. C. L.

Wolff announced that Moran wants to trade his star to Frank Chance for Harry Wolter; failing in that he will sell him to the highest bidder. Cravath's friends here well know that he despises eastern weather. The closer he can play to Laguna Beach the better pleased he will be.

STEERING GEAR GOING WRONG, CAR HITS POLE

STANTON, Aug. 12.—While Mr. and Mrs. William Kennedy, Jr., and their baby were motoring to Balboa Thursday, the steering knuckle broke and the car was run into a pole. Mrs. Kennedy was bruised on the shoulder when she fell on it, but the baby was uninjured. The car was not damaged to any extent. They proceeded on their way to Balboa, where Mrs. Kennedy and baby will spend the week with her mother and sister. Mr. Kennedy returned, and had the car taken care of.

AIRMAN APPEARS AT SEAL BEACH TOMORROW

Joe Boquel, aeronaut of considerable fame, will fly at Seal Beach from the 13th to the 17th of the month as a feature attraction. Joe distinguished himself at San Francisco last Sunday by successfully making forty consecutive loops—without breaking something.

Boquel will make two flights daily, except Monday and Friday afternoons and Friday evening. Afternoon flights will take place at 5 o'clock and night flights at nine. While he loops the loop a trail of fireworks are to be cast forth by him.

Boquel leaves for Australia upon completion of his Seal Beach contract and is not expected to appear in California again.

COMING PRINCESS OFFERINGS SPLENDID

Following are the films that will be shown during the coming week at the Princess Theater:

Henry B. Walthall in "The Birth of a Man," which comes to the Princess Sunday and Monday, is a five-reel drama of intrigue and adventure.

The story deals with a young and idle millionaire who receives a cablegram advising him to leave for Paris at once in order to seize the opportunity of purchasing a greatly coveted rare canvas.

By a matter of seconds he misses his train. A taxi-driver drives him to a tramp's retreat, where he is held up, knocked insensible, his clothes taken from him and a tramp's dirty suit substituted. A lighted cigarette carelessly thrown away sets the place on fire. A fight to get out of the blazing shack follows, in which scene Walthall's acting is superb, tremendous, almost terrifying. Nothing greater can be conceived, imagined or desired.

"The Deathlock," a stirring drama of Alaskan adventure, filmed in the snow-bound wastes of the Klondike, will be seen at the Princess next Wednesday and Thursday.

Nell Daroux acts as a decoy for her adopted father, a notorious gambler, and the two are caught cheating at cards on board a steamer going to the Klondike. Their victim is a young man named Ford Worthing. As cheating means death, Nell, to save her father, sets fire to the boat and the two escape in the confusion as the steamer is beached. Later they meet Ford at Dawson, where her father attempts to steal the rights of a valuable mine from Dixie Ward, a widow. There is an exciting race on dog-sleds across the snow-covered Alaskan wastes. Ford is outwitted by Daroux, fastened to a tree by the fatal "deathlock" and left to the mercy of the wolves. Many exciting incidents follow.

"Guarding Old Glory," is the title of a "preparedness" picture full of action.

thrills and patriotism, that will be shown at the Princess Tuesday only. Dreadnoughts, torpedoes, aeroplanes, guns, soldiers, sailors and battleships figure in this spectacular production.

"The Battle of the Sexes"

Next Friday and Saturday "The Battle of the Sexes," a social drama of unusual merit and a production of D. W. Griffith, featuring Lillian Gish, will be the bill at the Princess.

At the Temple

One of the strongest pictures that has been shown by the Temple Theater this season is "The Spoilers" from the famous book by Rex Beach, which opened with a matinee this afternoon and runs tonight, Sunday matinee and evening. Not only is the play itself one of extraordinary merit, but the staging is superb and the artists presenting it are among the leaders in the profession.

Wm. Farnum and Kathlyn Williams, the stars, are supported by such eminent artists as Wheeler Oakman, Jack McDonald, L. Santschi, Bessie Eytan, Frank Clark and a number of other celebrated players.

PAULINE FREDERICK AND IRVING CUMMINGS AT WEST END THEATER

A splendid production will be offered to patrons of the West End Theater next Tuesday and Wednesday, featuring Pauline Frederick and Irving Cummings in E. Phillips Oppenheim's thrilling story, "The World's Greatest Snare."

In this production Miss Frederick contributes one of the most powerful and sympathetic characterizations in all filmdom. From beginning to end the drama is one quick succession of gripping situations in which Pauline Frederick is superb.

Irving Cummings takes his principal male role as a western gold miner.

The picture itself marks the first production under the direction of Joseph Kaufman since he joined the famous Players Paramount Company. Mr. Kaufman is considered one of the greatest motion picture directors of the present time.

WEST END TO SHOW GREAT WAR FILMS

"Somewhere in France," is the title of a series of remarkable European war pictures secured on the battle lines and in the trenches on the Belgian-French-German front.

Modern warfare is shown in graphic detail at the West End Theater Sunday and Monday for two days only, at the usual price of admission.

The following are only a few of the scenes that compose this greatest of all European war pictures: Germans taken captive; seventy field guns captured; firing French mortars; shrapnel shells bursting over trenches; on the French front; famous Quennoy Farm where more casualties occurred than at the battle of Waterloo; plodding in enemy's trenches; soldiers raised on telescope tower to direct fire and fire of battle; acres and acres of German prisoners in detention camps; French hydro-aeroplanes and torpedo boats; French shells exploding in enemy's trenches; soldiers flinging bombs at Germans; gas bombs falling in trenches; actual battle being fought between French and Germans entrenched only forty feet apart; trenches illuminated with fire bombs at night; French armored motor cars on way to attack; thrilling battle in midair between German taubes and several French biplanes; German graveyard behind trenches captured by French; the return of the air fleet; a village captured by house-to-house fighting; above the clouds; 10,000 feet in the air over German trenches.

These pictures are in five reels and show the great war in all its hideousness—its patriotic sacrifices, its chivalry and daring, its awful toll of blood, its romance and pathos—seen at a glance. There will be one matinee each day at 2:15 and two shows each night at 7:15 and 9 o'clock.

Remember the place, Santa Ana's West End Theater.

Manager L. A. Schlesinger offers something in the way of a new innovation in presenting "Somewhere in France." Vocal and instrumental selections will be rendered to fit the picture with appropriate music.

ICELAND SCENES IN 'BONDMAN' MADE ON NEW ENGLAND COAST

For the first time in the motion picture industry Iceland has been made the setting for a feature film, and William Fox, it may interest the audiences to learn, found his Iceland settings and color in New England. The entire company appearing in his great production, "The Bondman," by Hall Caine, was transported to Maine and along its picturesque coasts the camera men completed their big task.

Three thousand persons appear in "The Bondman" picture, which will be shown at the Temple Theater Monday and Tuesday, and frequent great spectacles which make the picture notable, show all 3000 persons at once. Twice, at least, the concerted activity of this large number gives the picture that degree of action and vitality which heretofore could only be found in vast outdoor pageants.

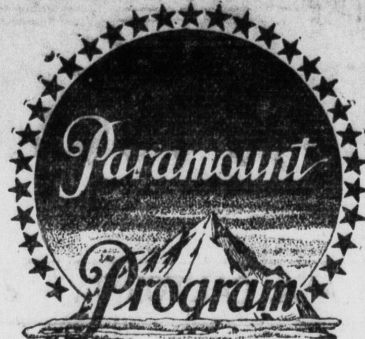

The dignity and magnitude of "The Bondman," the elaborateness with which it has been mounted and staged before the camera and the literary eminence of its author all contribute to an entertainment the like of which has seldom, if ever, before been attempted.

WHY ENDURE SUMMER COLDS?
It isn't necessary to have a stuffed head, running nose. To cough your head off, as it were. All you need do is to use Dr. Bell's Pine-Tar-Honey. The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.

Before you make up your mind where to go tonight, I want you to read the following essay which I have prepared—

GOOD SALESMANSHIP VERSUS DECEIVING THE PUBLIC

Has it ever happened to you when in the act of shopping, to be told that the certain brand or article demanded (which has given you good satisfaction for years) they were out of, but they have something better at a little advance in price, and you are prevailed upon to accept the statement? Of course you have; we all more or less come up against this so-called good salesmanship motto, even in the picture show business. That's why we tell you that WE, the West End Theatre, have inaugurated "A SET POLICY," which policy has been adopted by the best and most popular mercantile houses and manufacturers of staples with a brand attached, so that the public may NOT be deceived by good salesmanship.

The Paramount Pictures Corporation is one of these firms that have established themselves in favor with the trade-mark policy, so that the public while out shopping for amusement, can, upon seeing the Paramount trade-mark, absolutely bank on a good, clean, wholesome and worth-while entertainment, at prices that never fluctuate. In the past a great many theater managers have through well-worked advertisements and enticing lobby decorations and all other kinds of schemes—fooled the public into believing they were really going to see something extraordinary and at a trifle advance in price. public, believing Mr. Theatre Manager to be an honest sort of chap, swallowed this "good salesmanship" policy and Mr. Theatre Manager thinks he has got 'em coming.

WHY? Because you always bite, and whenever business is slow with Mr. Theatre Manager he simply decides to boost his price up a notch or two and make a little holler on some ordinary picture and the dear public are hoodwinked into helping such theatre managers to tide their waning business over for another month.

Such business policies are losing out all over the country and the merchant or the theatre manager who has established "A SET POLICY," guaranteeing his customers or patrons reliable, consistent methods is the one for the public to patronize.

Tustin Budget

Edited by Miss
Florence StoneGIRLS TELL SIERRA
CLUB EXPERIENCES

The four Tustin girls who returned home about a week ago from a trip with the Sierra Club had an opportunity to recall all the pleasant memories of the trip last Thursday night when Miss Grace Hight, one of their number, entertained the others at a knapsack party.

In addition to Misses Gertrude and Dorothy Utr and Miss Clara Macomber, the other members of the Sierra Club, Mr. and Mrs. James Willis Rice were guests at a dinner party at Miss Hight's home in the late afternoon.

After dinner they went out into the eucalyptus grove and gathered around a camp fire.

In the light of its cheerful flames they listened to some of Mr. Rice's most charming violin music and the delightful spell of the night in the woods can well be imagined under those circumstances.

After campfire stories and a wienie bake, Mr. and Mrs. Rice departed for their home and the girls were left with their sleeping bags and knapsacks to spend the night in the grove as they had grown accustomed to do on their mountain-climbing trip.

The girls can testify that this was a most enjoyable slumber party.

LOOKING FORWARD TO
CAMPAIGN RALLY DAYS

The Tustin W. C. T. U. members are being reminded of the campaign rally days, August 17 and 18, at the Long Beach assembly to be held at the First M. E. church, corner of Fifth and Pacific streets, Long Beach.

Many interesting features will be presented by Mrs. Lucy D. Wilhoit, Miss G. Stickney, Mrs. Stella B. Irvine, state president of the W. C. T. U., and state lecturers from all the prohibition states.

On Friday evening, the 18th, the beautiful cantata, "Columbia's New White Republic," will be given.

EDITORIAL

TOURISTS AND PROHIBITION
The California Taxpayers' League is advertising in the street cars that "hospitable California" cannot afford to tell tourist guests that they shall not be supplied with wine in any California hotel.

The fact is that very few California tourists drink wine at home, and that the driest parts of California are in the tourists' sections, made dry by the votes of tourists who have remained to make their homes in California.

The huge majority of California tourists come from localities and homes in which wine is not customary.

The experience of Colorado also demonstrates that tourists come west, not for booze, but for climate.

In 1911, for example, before the state of Colorado had become dry, Colorado Springs was dry and Denver wet.

Governor Carlson of Colorado in a recent speech pointed out that during the 1911 season over 100,000 tourists routed through Colorado by way of Denver and Colorado Springs, remained in wet Denver an average of one and one-half days, and in dry Colorado Springs three and one-half days.

"This was one of the facts," said Governor Carlson, "that convinced us that the magnitude of our mountains, the gold of our sunsets, our health-restoring climate and our trout-teeming streams were the things that brought the visitors to and kept them in Colorado, and not the saloons."

So Colorado in spite of the doleful predictions of injury which prohibition might do the tourist crop, decided that it would not hurt the tourist crop in the least to go on the prohibition basis.

C. E. YOUNG PEOPLE
ENJOY SOCIAL CHAT

Society people in Tustin are trying to keep quiet and take a vacation from parties and club meetings during August, but the spirits of the young folks bubbled over last Tuesday night at a cat social given by the Christian Endeavor Society. All those who came brought a sofa cushion and it is surprising to know in how many ways a cushion can be used when all other seats are taken away from you. It is also surprising to know how sociable you feel when a good company of people are sitting around on cushions on the floor. To both the young Endeavorers and their more mature guests, everything was conducive to story-telling and the story-telling mostly cat stories, proved to be the most interesting part of the evening. Some were exceedingly funny and others quite startling.

Lively games were interspersed to relieve the unusual sitting posture, one of the funniest being "Kitty and Mousie."

FAREWELL TENDERED
AT OVERTON HOME

Mrs. E. Winchell and daughter, Mrs. Ed Rumsey and family, were entertained by Mr. and Mrs. T. R. Overton on Wednesday evening. It was in the nature of a farewell, as Mrs. Winchell and Mrs. Rumsey and families moved to Santa Barbara the latter part of the week.

MISSIONARY FOLK TO
HOLD ICE CREAM SALE

The proceeds are to be used for missionary work conducted by Miss Ella Jones, formerly of Tustin, now in India.

MUNICIPAL DISTRICT
WILL BE DISCUSSED

The regular meeting of the Tustin Chamber of Commerce will be held Wednesday night at the school auditorium.

Among other interesting questions, that of making Tustin a separate municipal district, and having a peace officer, will be discussed.

MOTOR TO BALBOA TO
SEE WATER CARNIVAL

Some friends of Mr. and Mrs. H. D. Gates, owners of the Arrow Garage, were taken in their luxurious car to Balboa Thursday afternoon to witness the afternoon's program of the Water Carnival. The members of the Tustin party, being busy people, were only able to stay for the afternoon program, but in that time were given a delightful glimpse of the carnival and a most enjoyable ride home in the late afternoon through the courtesy of Mr. and Mrs. Gates and their excellent chauffeur.

TUSTIN FOLK ENJOY
OUTING AT NEWPORT

A party comprising Mr. and Mrs. Fenlon Matthews, Mr. and Mrs. Frank Stearns, Misses Eva and Gladys Stearns, Clarence Tucker and Lisle Farquhar had an enjoyable trip to Newport Beach last Saturday and over Sunday. A wienie bake late in the evening was a part of a picnic supper.

A WOMAN'S HELPFUL ADVICE

—Mrs. G. H. Eveland, Duncan Mills, Ill., writes: "I was stricken with lumbago, unable to turn myself in bed. A neighbor brought me Foley Kidney Pills. Said she had been similarly afflicted and they cured her. I tried them and was completely cured by three bottles." Mrs. Eveland heartily recommends Foley Kidney Pills for kidney trouble. When the kidneys are not functioning properly, impurities left in the blood cause rheumatism, lame back, aches and pains. Rowley Drug Co.—Advertisement.

WATERMELON PARTY

Mr. and Mrs. Clyde Deardorff were hosts at an enjoyable social event last Saturday night at their pretty bungalow home on D street.

Games on the lawn were alternated with dancing to lovely Victrola music and delicious watermelons were served later.

A most delightful evening was spent by Mrs. C. E. Price, Mrs. F. M. Thomas, Miss Clyde Flowers, Misses Helen McNeill, Alma Plavan, Lillian Walker, Beulah and Gladys Thomas, Mrs. G. R. Paulus, Messrs. Harry Whitman, Glen Young, Clyde Flowers, Walter Stafford, John Swanner, G. R. Paulus.

COMING MONDAY AND TUESDAY: WM. FARNUM, IN "THE BONDMAN," BY HALL CAINE.

"THE SPOILERS," Rex Beach's famous story of the north, comes to the Temple Theater for two days, August 12 and 13. Big, moving, masterful and wholesome in its human interests, thrilling in interest, absorbing in situation, powerful in progression, this picturesque, rugged romance of Alaska has a love story with splendid imagination that grips and holds the sympathies.

'SPOILERS' RUNNING
AT TEMPLE THEATER

A new deluxe edition of "The Spoilers," a twelve-reel film from the famous book by Rex Beach of the same title, is now being shown at the Temple Theater. "The Spoilers" opened with a matinee today and runs tonight, Sunday matinee and evening.

This new edition of "The Spoilers" is in twelve reels and contains 12,000 feet of red blooded action. This deluxe edition has never before been presented in this city and without a doubt will attract the greatest crowds known to the motion picture game here. The entire story of Rex Beach's most thrilling novel is told in detail and shows how the forces of evil are ever battling for supremacy over those of right and justice.

Charles Dickens wrote remarkable character creations in great variety and in the telling of his stories frequently revealed abuses that inspired drastic and far-reaching reforms. So this vivid page of yesterday in Alaska from the facile and fearless pen of Rex Beach showed the trails of graft and greed and pointed out their glaring cruelties and illegalities so trenchantly that "it started something"—something that arrested the spoilation of Alaska.

This thrilling romance of the gold fields of our great Northwest, it steeped in sentiment, is strong in fierce primitive passions inspired by insidious evils that coil about the control of the great gold industry of Alaska. "These strong elements in the melting pot of this romance fuse to make the great work intense, picturesque and potential beyond compare, as far as current production of motion pictures is concerned.

"The Spoilers" is without question the most popular film drama of American life ever released. The all-star cast appearing in this deluxe edition includes such favorites as William

Farnum, Kathlyn Williams, Thomas Santschi, Bessie Eyton, Frank Clark and others. More than four hundred persons were used in the making of the picture which was produced at an enormous price.

HARD WORK MADE ME
STAR, SAYS MISS DANA

"It might seem presumptuous for me to speak of my starrng career, since I am one of the younger stars, but really, I have worked hard to reach my position, and I believe I appreciate it just as much as the older women do," says Viola Dana, famous Metro star. "So many people cannot get over the impression that I am still a child. They always think of me as 'The Poor Little Rich Girl.'"

"But I am very much grown up, having celebrated my nineteenth birthday only a short while ago. I believe the foundation of my success was laid by the simple living my parents insisted on, and the gymnastic exercises my father put me through while I was still only a baby. Father was a 'crank' on physical well-being, and it was well for my sisters Edna and Leonie, and me that he was. We are all healthy girls as a result of his training and my mother's devotion to simple diet."

"Unlike the older actresses, I went into motion pictures as a child, and I am sure I never could have stood the work of the long parts I have played both for the screen and on the stage without an exceptional constitution."

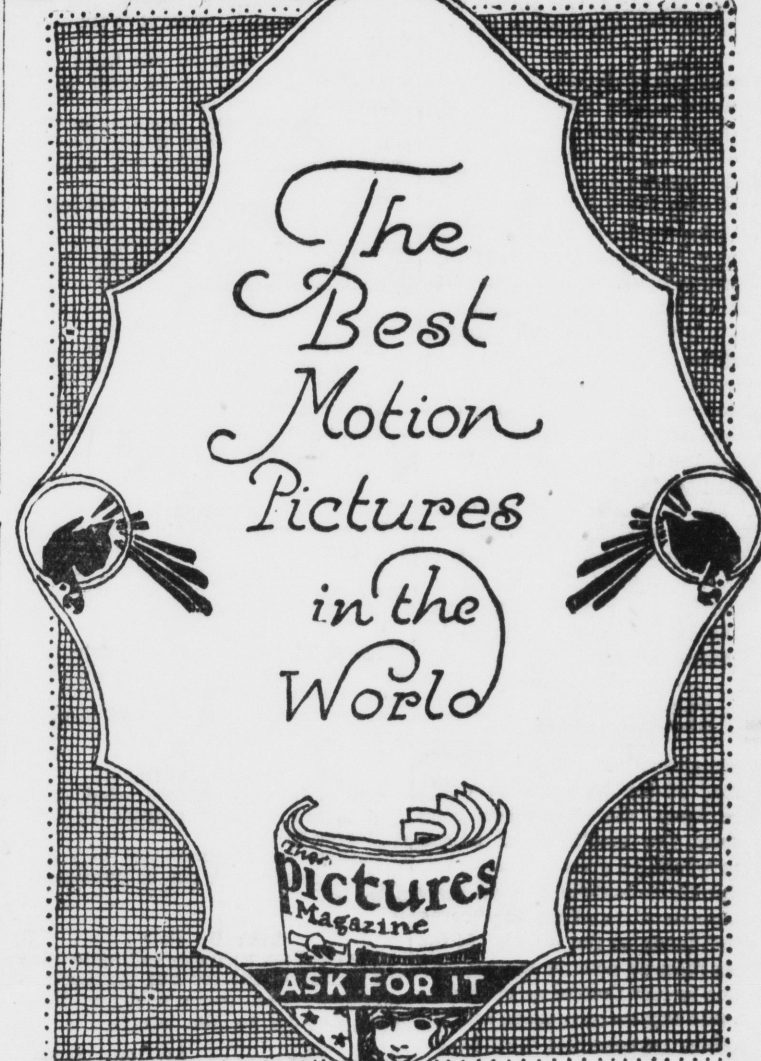

"I studied 'The Poor Little Rich Girl' as seriously as Miss Ethel Barrymore studies her parts, and though I admit that I was more fortunate than many are, in receiving adequate rewards for my labor, yet I cannot think it was all undeserved. Good hard work does tell."

LOOK GOOD—FEEL GOOD

No one can either feel good nor look good while suffering from constipation. Get rid of that tired, draggy, lifeless feeling by a treatment of Dr. King's New Life Pills. THE SECTIONAL CRY

The opposition to Governor Johnson has done its utmost to stir up sectionalism. There have been repeated demonstrations that the people of the southern part of the State hold no such general attitude. Everywhere in this section the Governor had big audiences, and leading men and women of all parties and factions are unhesitatingly identifying themselves with his candidacy. Most of the sectional talk, as a matter of fact, is emanating from the hostile leaders in the North. Mr. Booth is trying to make use of the North and South argument, but at once hastens to explain, apologetically, in the North, that he would, if elected, be Senator for ALL the State. The Register sincerely concedes Mr. Booth's claim of exemption from the taint of sectionalism; but insists that he and his supporters should concede a like claim for Governor Johnson. No man of good common sense would assume the attitude in the United States Senate of a sectional representative, and those who have raised the sectional cry against Governor Johnson know full well that he could not be guilty of such folly. But even geographically speaking, Gov. Johnson has the best of it. His home is in San Francisco, halfway between the Oregon and the Mexican lines, while Mr. Booth's home is in the extreme southwestern section of the state. Moreover, Gov. Johnson's experience and travel during the six years he has been Governor of the State have made of him the ideal pan-Californian. He has come to think and talk and feel in state-wide terms and impulses. He knows every part of the State as perhaps no other citizen does, and in this respect as in many others he is the ideal candidate for United States Senator.

CLEAN HANDS

Disease germs lead a hand to mouth existence. If the human race would learn to keep the unwashed hand away from the mouth many human diseases would be greatly diminished. We handle infectious matter more or less constantly and we continually carry the hands to the mouth. If the hand has recently been in contact with infectious matter the germs of disease may in this way be introduced into the body. Many persons wet their fingers with saliva before counting money, turning the pages of a book, or performing similar acts. In this case the process is reversed, the infection being carried to the object handled, there to await carriage to the mouth of some other careless person. In view of these facts the U. S. Public Health Service has formulated the following simple rules of personal hygiene and recommends their adoption by every person in the United States: WASH THE HANDS IMMEDIATELY— Before eating; Before handling, preparing or serving food; After using the toilet; After attending the sick, and After handling anything dirty.

“NOT DIVIDED”

When Mr. Hughes said, in his Detroit speech, that “the workingman is entitled to protection in health, life and limb,” he recognized the obvious truth that the individual workingman is not able to dictate the conditions under which he is to work. That sentiment of the presidential candidate, expressed in the very beginning of his campaign, is an earnest of the good faith of his greeting to Gov. Johnson—“WE ARE NOT DIVIDED IN OUR IDEALS; LET US WORK TOGETHER TO ATTAIN THEM.”

With Malice Toward None

By Henry James The Heated Term Just at this writing back east the people are suffering miserably from heat. Most parts of the Pacific coast do not know what such heat is. Because they have mild winters in the far west, the average easterner adheres to the notion that summers in the same place must be relatively as much hotter than their own. Never knew any kid of three to plan a murder and a getaway and then see ghosts, though, myself. The First Chapter Only The other day a young man and woman collided in the surf, both of them apparently being knocked silly, for that was ten in the morning, and at two in the afternoon he had proposed, and by three they were married. In making record of this newspaper termed it a romance, but if so it is only the first chapter, and the clerk of the divorce court will be likely to write the last. G. A. R. ENCAMPMENT TO OPEN AT HUNTINGTON BEACH ON TUESDAY

Veterans from all portions of Southern California will gather at Huntington Beach next Tuesday for the twelfth consecutive annual reunion at this beach. The “old boys in blue” will frolic for ten days, and in this they will be ably assisted by the “old girls” of the W. R. C. and other auxiliaries of the G. A. R.

The official opening will be Tuesday night, when addresses of welcome, response and other entertainment will be provided for the army of joy-seekers who will attend the encampment. Huntington Beach Post and W. R. C. will be in charge of the opening night exercises. M. E. Helme, president of the city council, will extend a cordial welcome and freedom of the city, and Commander L. Scofield of Whittier will respond. The program for the evening is said to be an exceptionally good one.

The program for the other days of the encampment follows: Wednesday, 9:00 a. m.—Flag raising, with appropriate exercises. Evening, the ladies of the G. A. R. will entertain.

Thursday, 10:00 a. m.—Reunion of states. At 2 p. m., camp fire, free for all; 4:30 p. m., dress parade; evening, Stanton G. A. R. and W. R. C. entertain.

Friday, 2:00 p. m.—Entertainment and reception in honor of the ex-prisoners of war and the army nurses. Evening, entertainment by the U. S. W. Veterans.

Saturday, 9:00 a. m.—Slaughter of pigs by the Penny Club; 2 p. m., Children's day exercises; evening, Sons and Daughters of Veterans will entertain.

Sunday, —The usual Memorial exercises in the morning; 4 p. m., dress parade; Sacred Concert in the evening.

Monday, 10:00 a. m.—Court martial. At 2 p. m., camp fire; evening, Long Beach Post and W. R. C.

Tuesday—Bean Day. Camp will be in charge of the ladies; 4:30 p. m., dress parade; evening, the only pay entertainment, under the direction of Dr. H. F. Crane.

Wednesday, 10:00 a. m.—State societies will elect officers; 2 p. m., prize dance; evening, Pasadena Post and W. R. C.

Doings In Social and Club Circles

PROGRESSIVE WHIST

Large Company Friends Mr. and Mrs. A. H. Pease Entertained Last Night

One of the largest and most pleasant affairs of the week was the progressive whist party given last evening by Mr. and Mrs. A. H. Pease at their Spurgeon street home, about forty friends being entertained charmingly.

Mrs. Pease used a very dainty and attractive decorative scheme, utilizing tiny flowers, such as marguerites and daisies with the feathery infants' breath in delicate profusion.

As the guests ascended the stairs they were presented with their pretty tally cards by the young daughter and son of the hosts and after a brief social time, the tables were occupied and the interesting game proceeded to a happy conclusion, the handsome prizes being captured by Mrs. Max Reinhaus and Dr. L. L. Whitson, first, and Mrs. Verne Whitson and Theo. Winbiger, consolation.

Mrs. Pease was assisted during the evening by her daughter, Miss Dorothy, and Misses Helen Reinhaus and Doris Robbins.

The small tables were then centered with bud vases containing the prevailing blossoms and a dainty feast in the shape of a two-course collation spread before the guests.

The guest list included Messrs. and Mrs. O. M. Robbins, H. Clay Kellogg, L. L. Whitson, Verne Whitson, H. H. Reeves, W. L. Grubb, George S. Balderston, John Wehrly, Max Reinhaus, W. W. Clevering, F. C. Rowland, A. N. Zerman, Sherman Evans, Theo. Winbiger, W. L. Duggan, H. Diers, F. H. Eley, Mmes. W. L. Tubbs and Cora M. Cavins; Misses Blanche and Josephine Tiede, Martha Whitson, Rowland, Doris Robbins, Helen and Irma Reinhaus; Messrs. Lester Tubbs and A. C. Tiede.

WEDDING ANNIVERSARY

Rev. and Mrs. J. A. Stevenson Given Surprise Last Night by Congregation

Rev. and Mrs. J. A. Stevenson of the First Presbyterian church yesterday completed a score of years together as husband and wife, but while they remembered the happy occasion, they had no idea of the big plans other people were making for remembering it.

They had been notified that the Ladies' Aid Society of the church would hold a regulation social last evening and of course they were expected to attend. But they were wholly unprepared to find that about four hundred people were there, which is probably a large crowd for an ordinary social.

But the cat was soon out of the bag and the honored guests admitted themselves surprised.

A very delightful program was rendered during the evening. Clifford Johnston and Miss Cecile Fross gave charming vocal numbers, Miss Virgil Potts played with readings and Miss Clara Mae Wilson gave instrumental numbers.

Another surprise was then perpetrated upon the unsuspecting victims when W. A. Zimmerman in a very neat speech, presented Rev. and Mrs. Stevenson with some handsome china and silverware. However, while Mr. Zimmerman was talking, the genial pastor had had time to recover and he responded to the presentation of the gifts in his usual pleasing manner.

A social period was enjoyed and all present wished the popular pastor and his charming wife many more years of happiness and good health. Refreshments were served before the company dispersed.

Entertained Sister League

A very pleasant party was held last night in the parlors of the First Methodist church, when the Epworth League of that church entertained the League of the Mexican Methodist church.

The parlors presented a very pretty appearance with their decorations of red and white, the league colors, and after a period of merry games, a wienie bake was enjoyed.

The Mexican League presented the First Methodist Society with a group picture of its members.

The committee that planned and carried out this successful party was Edna Masters, Edith Blauer, Marie Gutwiler, Fred Blauer and Donald Jones.

Those who attended were Flora Gonzalez, Carlotta Salazar, Leonela Salazar, Sarah Armendariz, Lola Carrillo, Anita Ruiz, Paul Gonzalez, Miguel Martinez, Wenceslao Armendariz, Fernando Vargay, Jesse Pluneda, Charles Carrillo, Ascension Reno; out of town guests were the Misses Luvinia Chavez and Enriqueta Lucero, from Albuquerque, New Mexico.

Nebraska Picnic

The Nebraska Society of Southern California will hold its annual summer picnic at the pavilion at Long Beach, Saturday, August 19. The Long Beach Nebraska Club will have charge of the program and a rousing good time is assured.

It will be an all-day celebration with a basket dinner at noon.

All former Nebraskans are expected to be present and to bring all their friends.

MERRY HEARTS AGAIN

Members Enjoy Themselves Hugely Before the Call of College is Heard

The members of this jolly club are "making hay while the sun shines," as it will soon be time for a number of the girls to return to their college duties. Their parties have been many and lovely.

Last evening, Miss Grace Gebhardt was the hostess to the Hearts at her Bush street home and in anticipation of the coming of her friends had elaborately decked the house with lovely flowers.

In the living room, where the first part of the evening was happily spent, rich-hued red and yellow tulips bloomed and the time sped away with music, games and jolly chat. Miss Gebhardt received a number of beautiful gifts from her friends, following the custom of the club.

The dining room was a dream in blue and white, carrying out a Dutch color motif. The lovely table was centered with a large mirror in whose limpid depths were reflected a little Dutch windmill, a tiny rustic bridge and ducks wandering about the attractive scene. A delicious three-course collation was served.

Those participating were Mrs. Floyd Knight, Misses Arvilla, Ball, Dorothy, Mead, Helen Remsburg, Muriel Lee, Isabelle Anderson, Lillian Fischer, Ramona Clevering, Merle Obar, Norma Winwood and Helen Garstang and Winifred Roberts, the two latter being club guests.

RELIEF CORPS TEA

Socially and Financially, Yesterday's Affair Was Most Successful

The tea given by the Woman's Relief Corps yesterday afternoon was a very charming affair and the ladies in charge under the leadership of Mrs. Ella Wilson, chairman of the executive committee, are to be congratulated upon the success both socially and financially, which attended their efforts.

The following program was rendered, each number being especially appreciated and enjoyed by the delighted hearers: First was singing, by the audience, of "The Star Spangled Banner," with Mrs. Fay at the piano, followed by a piano solo by F. Steever, whose brilliant playing was greatly enjoyed. Mrs. T. R. Ellis gave a wonderfully fine whistling solo with piano accompaniment by Mrs. A. J. Padgham, eliciting a cordial recall. Mrs. Padgham then gave a charming piano solo and for an encore gave a Spanish serenade composed by a lady of Glenwood Inn, which was a dainty, delightful melody of passionate love. Miss Virgil Potts gave an amusing reading describing the troubles of a lady when trying to buy a pair of shoes, which created much merriment. The two hearty encores were equally enjoyable. Miss Campbell gave a pleasing vocal solo, with Harry Warner, piano accompanist, receiving an enthusiastic recall, which was graciously responded to.

Mrs. Fay gave a well rendered piano solo. Mrs. H. H. Kellogg being called for, that charming lady gave a very amusing recital of how a certain man named Wood sawed wood, which kept the audience guessing whether Wood sawed the wood, or the saw sawed the wood, or if Wood's saw would saw wood, or wood would saw at all. Anyway Mrs. Kellogg was not permitted to leave her hearers in such a confused state of mind and further contributed to their enjoyment with an equally amusing reading.

Ice cream and delicious homemade cakes were served in the banquet room. A social hour followed.

The ladies wish to tender their sincere thanks to all who so kindly assisted to make the occasion so enjoyable.

What Happens at Wienie Bakes

(Continued)

A jolly little "ganger" of Santa Ana and Orange people hied themselves to Balboa last night and "did up" the evening in "medicated" style.

Now, most of us have been compelled to take medicine or pills in coffee, milk and water—but the by-way-of-biscuits method has never been reported to this office. So follow closely. This idea is brand new.

After the men had worn streaks or their trousers trying to light a fine and after the coffee had boiled over and the wienies burst over the flames (evidently because they were raised on the inland and just naturally broke their lungs by an over-inhalation of salt air) the big surprise was pulled off.

The poor little doggies! After the explosion they looked more shriveled than a 50-year-old spinster with nary a hug to mar her peacemaker career.

There were two perpetrators of the unmentionable crime. The first was a dentist's wife and the second, too, enjoys "some" education. The men of the party have a hankering suspicion that the doc's wife "loaned" the blackhand materials from her husband and that her assistant inserted the awful stuff.

Very politely one of the Eves passed the bait around to the men.

"Don't you have a biscuit, doctor?" I barked them with my own hands.

The Eve was not the doc's wife, and if the moonlight did not deceive us, he took two. The rest of the men also "fell in"—and then continued by falling further—into the biscuits. After the customary preliminary remarks about "rocks," "heft," "castiron digestion," etc., the dentist spoke. Sitting on the other side, we did not quite catch him, but it was something about, "Thought I left the men, whose teeth were not in as good condition as the doctor's just crow-barred off a portion of the biscuits with medicated cotton inserted, and swallowed the chunks whole."

Up to 1 o'clock this morning no casualties were reported, which leads to the deduction that the medicine in the cotton was responsible. (The perpetrators were afraid to take a chance with their biscuits, and added the medicated cotton to prevent a coroner's inquest.)

The party, which later enjoyed the beautiful carnival on the bay, consisted of the following: Mrs. Tyrell, Mrs. Galbraith, the Misses Lane and Miller, Dr. Tyrell, Messrs. Galbraith, Stever and Kadau.

Santa Ana Well Represented

Many Santa Anans went to Long Beach today to enjoy the local picnic. Large numbers used the Pacific Electric via Huntington Beach, while others went by automobile.

YOSEMITE NATIONAL PARK LURES RECORD NUMBER MOTOR CARS

CAMP CURRY, Yosemite Valley, Aug. 12.—More than 2700 cars of ninety-seven different makes, carrying licenses representing nearly half the states of the union, entered Yosemite National Park before August first this year. Private automobiles have carried more people into the park this season than all the railroad and motor transportation companies combined.

With the ocean west and the desert east, Californians "see America first" by traveling the roads of their own state; by far the largest proportion of travel to Yosemite is from California points. Since the opening of the Tioga road, Nevada has climbed to second place. Arizona comes third, Oregon and Hawaii tie for fourth, and even far-away Maine is represented.

The classification according to makes gives place among the ten leaders to cars at both extremes of the price list. The "big ten" control nearly two-thirds of the private automobile travel to Yosemite. The Ford holds the lead with 485 cars. The Buick comes second with 237, and the Cadillac with 212 is a close third. The next seven makes in the order of their standing are Studebaker 195, Overland 171, Dodge 125, Hudson 88, Packard 73, Hupmobile 60, Pierce-Arrow 56.

The following program was rendered, each number being especially appreciated and enjoyed by the delighted hearers: First was singing, by the audience, of "The Star Spangled Banner," with Mrs. Fay at the piano, followed by a piano solo by F. Steever, whose brilliant playing was greatly enjoyed. Mrs. T. R. Ellis gave a wonderfully fine whistling solo with piano accompaniment by Mrs. A. J. Padgham, eliciting a cordial recall. HOIST FLOUR PRICES UPON ALL THE GRADES

Keeping pace with the rapid advance in the price of wheat in Chicago and other large centers Los Angeles millers raised their prices on all grades of flour Wednesday 20 cents a barrel. Many feeds were advanced at the same time, including rolled barley, ground barley meal, recombined barley, white and yellow corn, cracked corn, feed meal, Egyptian corn, milo maize, cracked wheat and wheat.

As long as the wheat market is in the hands of speculators and they succeed in forcing at up values advances in the price of flour may be expected in Los Angeles.

At the present writing, however, the speculative wheat market does not look like it will go much higher, and for that reason flour prices here are not liable to be raised again for a little while.

At the present quotations flour is selling at too high a figure to make it very pleasant for a great many small bakeries and retail grocers.

KAUFMAN ENLARGES SPOTLIGHT FACTORY

The demand for the Kaufman spotlights for automobiles has increased to such an extent that it has necessitated enlarged facilities to produce them in larger quantities. Kaufman states that he has installed a complete new plant for turning out his lamps in large quantities and that he now has a force of five men working.

Recently the firm of the Kaufman-Williams Lamp Company was dissolved by an order of the court and the style of the firm as reorganized is Chas. Kaufman & Sons. The office and shop is at the old location, 1624 East First street.

Chas. Kaufman, the inventor of the spotlight, he is making, began making lamps about three years ago and he states that he has recently made great improvements in them, notably in the reflector, which gives a more powerful light than formerly.

RUIZ'S CHANCE FOR RECOVERY ARE BETTER

Edward N. Ruiz's chances for recovery from the wounds inflicted by his would-be murderer today are considered better than they have been at any time since he was shot. Dr. "Aise" at the county hospital stated that the man's temperature and pulse are almost normal. However, Ruiz's eyesight is practically gone, and here are evidences of paralysis on a part of one side.

Ruiz still declares that he will live to kill Eugene Hernandez. Ruiz says Hernandez is the man who shot him, another into the intestines and two into the brain.

UNUSUAL OPERATION

ANAHEIM, Aug. 12.—This morning there was performed at the Anaheim Sanitarium an unusual operation. The patient is J. A. Topper. For cancer, the lower part of the stomach and a portion of the intestines were removed. It is believed the man stands an even chance for recovery.

QUAKERESS, RELATIVE OF POE, DIRECTRESS AT GIRL'S WAR CAMP

CHICAGO, Aug. 12.—"It is the duty of every American man and woman to do his and her share to make this country safe from invasion."

Such was Mrs. Vylla Poe Wilson's message to America today as she prepared to depart to Lake Geneva, Wis., where she will have charge of the Navy League's training camp for girls, which opens Tuesday.

Mrs. Wilson is the nearest living relative of Edgar Allan Poe, is a great-granddaughter of Lord Admiral William Gordon, known to all students of English history. One of her granddaughters, Mary Elizabeth Eliott of Eliott City, Maryland, the oldest Quaker town in the United States; a daughter of George Poe, a distinguished Confederate soldier and a relative of General Poe, of Revolutionary war fame.

Mrs. Wilson also is the founder of the Woman's section of the Navy League and of the Section's branch of National Service Schools which train girls to take their part in making this country a good, safe place in which to live.

"I'm a Quakeress and proud of it," Mrs. Wilson declared.

Splendid Meeting is Held by
Boosters of Thriving
Community

Here are figures, absolutely reliable, showing the shipments of produce from Garden Grove for one year:

Sugar beets	182 cars
Beans	24 cars
Cabbage	17 cars
Green cucumbers	33 cars
Dry chili	61 cars
Green chili	65 cars
Potatoes	18 cars
Pickles	10 cars
Plums	2 cars
Tomatoes	7 cars
Walnuts	12 cars
Eggs	4714 cases
Poultry	21,795 pounds
Eucalyptus oil	1500 pounds

GARDEN GROVE, Aug. 12.—The Garden Grove Improvement Association held a very profitable meeting at the Y. M. C. A. hall Wednesday evening. A banquet, served at 7:30 by the young women of the Lambda Phi Club, was much enjoyed and appreciated by the guests.

After the banquet, H. A. Lake, president of the association, introduced the toastmaster of the evening, George Reyburn. The first speaker was C. W. McNaught and Mr. Johnson of Santa Ana, representing the Orange County Mutual Fire Insurance Company. Their talks were on the subject of fire protection for Garden Grove. After they had thoroughly discussed and explained methods, the matter of providing suitable fire-fighting apparatus was referred to a committee for further consideration.

Mr. Lake, next speaker, stated that the P. E. officials were ready to begin lowering the tracks as soon as Garden Grove had the necessary funds on deposit to meet their part of the agreement. Mr. Coplen reported that of the \$300 pledged, \$96 had been paid into the bank and some work had been pledged.

Mr. Knapp next gave a very interesting speech on Garden Grove as a shipping point. He gave interesting statistics on the produce shipped from here in 1915. The figures read by him lead this article.

Dr. Violet followed with a very pleasing extemporaneous talk. J. O. Arkley then told some interesting facts about the citrus industry in this vicinity and prophesied great things for its future.

Chas. Holt spoke on the importance of fire protection.

The matters discussed were all of great importance to Garden Grove and it is to be regretted that there were so few present. The meeting was adjourned by a rising vote of appreciation.

tion to the young women who served the banquet.

Rev. J. Bruce Evans of Long Beach was a visitor at the German home on Friday afternoon. Those who remember Evangelist Evans will be interested to know that he is to preach at the First Baptist Church in Long Beach Sunday morning and at the Baptist Church in Garden Grove Sunday, August 20, in the evening.

Next Wednesday afternoon the W. C. T. U. will hold its regular monthly meeting at the home of Mrs. A. J. Chaffee. The meeting will be held outside under the shade trees, and after the program a social hour will be enjoyed and lunch served which will be furnished by the members, each bringing something.

Simon Horwitz of the People's store is making changes which will greatly improve his place of business as to appearance. He will now have a continuous space of 100 feet by the entire width of the building, giving him better light and display space for his goods.

Machines driven by H. W. Myrick of Santa Ana and C. G. Thayer of Anaheim met in a collision on the corner of Ocean and Euclid avenues in Garden Grove which resulted in the complete wreck of the left front wheel of Mr. Myrick's new Overland machine and some damage to the brake rod and fender. No apparent damage was done to the other machine aside from a slight scratch on the body of the machine. Thayer was proceeding east on Ocean avenue when Myrick came from the bank corner turning east just in time to collide with the hind part of Thayer's machine. Both drivers escaped bodily injury.

Wilbur Pervine was a visitor in Garden Grove Friday.

J. K. Tyler and Mrs. Arzila Keet of Springfield, Mass. are visiting at the home of Mr. and Mrs. Thomas Jessup for a few days.

Thomas Jessup made a business trip to Los Angeles Wednesday.

Miss Celestial Churchill and Miss Maud Aronholt spent Wednesday in Los Angeles.

Miss Vera Jessup of Los Angeles visited at the home of her parents Wednesday evening.

C. G. Hudson and family returned from an eight days' trip Wednesday evening. They visited the fair at San Diego, also Tia Juana, Mexico, and other places of interest. Mr. Hudson left for San Diego again Friday evening with Mr. and Mrs. George May, Frank Stone and Roy Robinson. The party expects to return Sunday evening.

The Baptist Missionary Circle met with Mrs. Louise Beardsley Wednesday afternoon. Last year over 1200 pounds of canned fruit, jellies and jams were sent to five different mission stations. The empties have been returned and will be refilled and they are hoping even more will be sent the coming year.

Jack Jentes, accompanied by his son, Tommy, and J. Fry left by machine early Friday morning for McFarland, Tulare county. Jentes is making the trip to purchase more hay.

Mrs. Clara Dunbar and son Harold of Massachusetts and Mrs. H. M. Dunbar of Massachusetts are visiting at the home of Mr. and Mrs. A. F. Tubbs for two weeks, when Mr. Dunbar will join them. They will make their home in Santa Ana. Mrs. Clara Dunbar is a daughter of Mr. and Mrs. Tubbs, and Mrs. H. M. Dunbar is mother of Mr. Tubbs.

2-CENT TAX CUT IN CITY RATE, IS PROSPECT

Two cents clipped from the tax rate of Santa Ana—and that without any particular clamoring on the part of local residents—will result if the budget of expenses for the fiscal year prepared by City Clerk Vegely is considered sufficient by the city council.

The council will establish the tax rate by ordinance at its next meeting. The ordinance has been read once and referred back. When it is presented for the second reading the rate for each fund will be filled in and adopted.

The rate will be \$1.40 against \$1.42 last year.

An increase in city valuations, \$12,000 bonds for the old high school (now known as Intermediate) wiped out, and other bond funds reduced by the payment of those falling due last year, make the decrease possible.

The total assessed valuation this year is \$6,786,460, an increase over last year of \$133,175. Retired bonds clipped 1½ cents on school bonds, ½ cent on water bonds and ½ cent on city hall bonds. The total of these is 2½ cents, but ½ cent has been added to the fire bonds fund, the 1½ cent rate last year being too low to take care of them.

The rate for taking care of the expenses of the city will be the limit allowed by law, \$1. The few cents extra comes in the way of special taxes voted by the voters of the city. The general expenses are grouped under four funds, general, street, sewer and fire. The special tax funds are advertising, park, band, library, sewer, city hall, water and fire.

For these a total of \$67,864.60 will be at the disposal of the council from the tax income. In addition to this amount approximately \$10,000 will be available from city licenses, franchise taxes and fines for violation of city ordinances, giving a probable total of \$77,864 for operating expenses of the city.

The lopping off of 2 cents from the rate doesn't mean a great deal in the aggregate, only \$1357.29, and none of the departments of city government will suffer in consequence. In fact all funds will have more money than was allotted to them last year.

City Clerk Vegely's draft shows the following rate for each fund, the total for each and the increase over last year:

Fund.	Rate.	Amount.	Increase.
General	.60	\$40,718.76	\$799.05
Street	.30	20,359.38	399.53
Sewer	.05	3,393.23	66.59
Fire	.05	3,393.23	66.59
Advertising	.01	678.65	13.32
Park	.01	678.65	13.32
Band	.01	678.65	13.32
Library	.09	6,107.81	119.86
Sewer bonds	.05	3,393.23	66.59
City Hall	.02	1,357.29
Water bonds	.19	12,894.27
Fire bonds	.02	1,357.29	26.63
Total	..	\$140,950,044	\$1584.80

SAYS YUAN SHI KAI'S DEATH GOOD THING

TOKIO, July 15.—(by mail) "It is not easy to say whether the death of Yuan Shi Kai will prove advantageous to Japan. But I think it is fortunate for China that he died, in that his death helped to settle the troubled situation in that country."

Baron Gonsake Hayashi, newly appointed Japanese minister to China, thus discussed the situation in the big republic in an interview here today. Baron Hayashi criticized the attitude of many Japanese toward China, but said he could not now say whether there will be a change in the policy of the Japanese government.

"Yuan Shi Kai went looking for trouble when he attempted to re-establish the monarchy," he said.

DEATH DAMAGE OF \$10,000 IS DEMANDED

As was indicated would be done when Public Administrator Winbigler secured letters of administration upon the estate of Olie Hampton, suit for \$10,000 damages has been brought against J. A. Van Winkle of Huntington Beach. Hampton, aged 26, was on a truck riding to Seal Beach a year ago today. The complaint states that Van Winkle tried to pass two machines that were already passing each other, and collided with the truck in which Hampton was riding, with the result that Hampton received injuries from which he died. Hampton left a widow and child. Leonard Evans is attorney for the plaintiff.

Hargrave Hearing Yesterday Judge West ordered R. M. Hargrave to pay \$100 attorney's fees and \$25 costs of suit to Attorneys Scarborough & Forgy, representing Carrie N. Hargrave, who is suing Hargrave for divorce and alimony. A request for temporary alimony was denied. Hargrave represented by Attorney H. C. Head, said he would provide for his wife pending the trial of the case, which is set for August 28.

For Administration Thomas H. Hollingworth of Anaheim has asked for letters of administration on the estate of Joseph Hollingworth, who died in Portland, Ore., in 1914. A \$1500 lot at Anaheim is owned by the estate; R. C. Dutton, attorney for petitioners.

Eusilio Ortiz asks for letters on the estate of a son, Refugio Ortiz, who was murdered at Los Alamitos on July 9. The estate is a \$275 lot at Los Alamitos.

Mandate Denied Judge West denied a writ of mandate in the case of Flora Starbuck against the city of Fullerton. The plaintiff asked that the city be compelled to observe a referendum petition filed in connection with a resolution of the city to open a street. Attorneys E. J. Marks and H. G. Ames, appearing for the city, contended that the action was not subject to the referendum as petitioned for.

Court Judgments A final decree of divorce was given Adelaide E. Murphy against M. F. Murphy. In the absence of her attorney, Wallace W. Davis, Mrs. Murphy secured the final decree upon her own request.

For foreclosure judgment of \$3340 was given Frank Halsband against O. E. Slinack.

An interlocutory decree of divorce was given in Rodriguez against Rodriguez; N. D. Meyer, attorney for plaintiff.

Sues for \$25,000

Action for \$25,000 damages was brought today by Eutimio Espinosa of Talbert against H. S. Kennedy of Los Angeles, son-in-law of F. P. Nicky of Santa Ana, as the result of an accident on the boulevard near Seal Beach on July 16, in which Espinosa had a leg broken and his companion, Francisco Mejia, received injuries from which he died. There is no mention of Mejia in Espinosa's complaint. It is alleged that Kennedy carelessly drove his machine against a motor-cycle on which Espinosa was riding. The facts as reported by several witnesses at the time are quite different from the allegations in the complaint. The witnesses say the two Mexicans were riding at terrific speed to avoid a motorcar, and swung to the left side of the road and hit Kennedy's machine, which was on its right side. Moore and Shapiro of Los Angeles are attorneys for the plaintiff.

For Guardianship Mrs. Sarah M. Sweet has asked for appointment as guardian of the estates of her children, Richard and Romeyn. The estate is in New York state. Hartwick and Drummond of Orange are attorneys for the petitioner.

Answer Filed Attorney N. D. Meyer filed an answer in the suit over a restaurant at 303 North Sycamore street brought by Ambrosia Quintana against Antonio Elias. The defendant asserts that the plaintiff has no interest in the restaurant.

STEAL, SELL CATTLE

NOGALES, Ariz., Aug. 11.—W. Beckford Kibbey, Jr., has received word that 150 of his cattle had been stolen by Carranza soldiers from his Alamo ranch, south of the line, Washington was notified, as usual. The Mexicans shipped Kibbey's cattle right up to Nogales, Sonora, almost within a stone's throw of Kibbey's office, where the beef was marketed while a band played. Two days before Mexicans raided the Alamo and drove off 200 cattle.

DRY GOODS FIRM IS NOW CHAS. SPICER AND COMPANY

Through the purchase of the interest of Mrs. J. W. Bishop in the Spicer and Bishop dry goods store, a change is made in the ownership and name of the store and firm. Hereafter the store, which is located at 115 East Fourth street, will be known as the Charles Spicer & Company store. J. W. Tucker of Santa Ana becomes interested financially with Charles Spicer in the new firm. He was three years in Pomona with Mr. Spicer when Mr. Spicer was in business there, and came here a year and a half ago as an employee under Mr. Spicer, who was manager of the store, founded twenty years ago by J. W. Bishop.

The store is well known as a reliable store, one with a splendid stock and a splendid patronage won by continual observance of courtesy and good service to the public.

ILLUMINATED CRAFT PARADE AT BALBOA

NEWPORT BEACH, Aug. 12.—The illuminated water carnival at Balboa last evening was one of the best of the outdoor events held on the Bay thus far.

Commencing at 8:30 the boats began to line up for the display. There were altogether about forty, ranging in size from the large passenger boat, "The Limited," to the tiniest of canoes. Each boat was decorated in its own distinctive way. In some cases poles were hoisted on either end of the boat, a wire then strung across and the profusely colored Japanese lanterns strung on the wires. From the shore the parade was a very beautiful sight. Strung out, the various illuminated boats measured more than a mile in length. A searchlight from the Balboa Pavilion played over the waters and aided in the display.

Piloted by a small launch, which burned a very strong red light, the four parade sections were headed as follows:

"The Limit," owned by the Jackson-Norton Company, with some ten other boats strung behind, led. The second was the passenger ferry, "The Balboa," owned by the Balboa Pavilion. The third section was headed by the Balboa Palasades Ferry Boat, and the last, a very fine display, by The Apollo, owned by Wilson Brothers.

The parade passed in review of the large crowd for more than an hour and a half, and brought forth enthusiastic approval. This afternoon, the third day of the carnival celebration, saw the water races. Some of the fastest boats in California were to compete. The swimming tournaments, in which five national champions are to take part, will be staged tomorrow.
